

The Red River Valley School Division Board of Trustees, in accordance with the Province of Manitoba, requires that all schools within the Red River Valley School Division establish a Code of Conduct.

The principal of each school within the Red River Valley School Division must establish a code of conduct for students and staff, which outline the roles and responsibilities of each person.

The school code of conduct follows the Provincial Code of Conduct, a ministerial directive intended to expand upon existing legislation and regulation. The school code of conduct provides a reference for parents/legal guardians, staff and students in determining acceptable behaviour.

1. Overview of the code of conduct policy, its purpose and directive
2. The rights and responsibilities of students, parents/legal guardians and staff
