

The Red River Valley School Division Board of Trustees expects that students and their parents or guardians will be held responsible for damage to school property.

Responsibility may include restitution and/or replacement/repair costs.

When an incident occurs where costs will be recovered, arrangements will be made to repair the damage. Principals or Department Managers will contact the Secretary-Treasurer's Department and provide them with details for invoicing. An invoice for the cost will be sent to the family. Principals and/or Department Managers will be responsible for advising parents/guardians/students that an invoice is forthcoming.
