

Red River Valley School Division
ADMINISTRATIVE PROCEDURE H3 - COMMUNITY USE OF SCHOOLS

The Red River Valley School Division Board of Trustees recognizes that school facilities may be used by the community.

For all use of school facilities, a Red River Valley School Division employee must be available, if needed, to open and close the building. It is not necessary for an employee to remain on-site during the entire function. Any fee for use of the facility will be assessed by the individual to whom application is made.

Should a fee for use be assessed, the following schedule is recommended:

Gymnasium	\$40.00/hour or part thereof
Classroom	\$20.00/hour or part thereof
2 Classrooms or more	\$40.00/hour or part thereof

The individual making the request for the use of the school shall be held accountable for any damage to the school facilities. Facilities and equipment must be left in the same conditions as found.

The Principals will be responsible for approving all requests for community use of schools. "Community Use of Schools Policy – Application for Use of School Facilities" form must be completed for all requests. Please see attached form.

In the event that the Principal is unavailable (i.e. Spring, Summer, Winter breaks), application must be made to the Maintenance Department at the Red River Valley School Division Administration Office.

Reimbursement for divisional services required by the event must be reflected in SRB and will be paid through division payroll. Payment for any extra hours will be made at the end of the following month.

All monies collected must be forwarded to the Administration Office.

A journal entry will be made at the division office in order that the funds received will be reflected in the school's budget on the income line.

COMMUNITY USE OF SCHOOLS POLICY - APPLICATION FOR USE OF SCHOOL FACILITIES – PART 1

Introduction:

The purpose of this Outside User Policy/Application is to manage and reduce the risk of injury to persons using school facilities or grounds. The Red River Valley School Division (“**DIVISION**”) acknowledges that school facilities are an integral part of the community. It is to the benefit of the individual / group wishing to use school property to take all reasonable steps to reduce the risk of such injury. **DIVISION** therefore requires that you (the outside user/applicant, herein called **APPLICANT**) demonstrate to the satisfaction of **DIVISION** that there will be sufficient controls in place to follow the conditions of the permit and to prevent foreseeable harm or property damage related to activities at the event. **DIVISION** has developed this Community Use of Schools Policy in order to:

- Establish rules for the use and operation of school facilities by outside individuals and user groups.
- Promote safe, responsible use of these facilities.
- Reduce the risk of injuries/property damage and subsequent liability risk.

Even small groups holding low-risk functions such as meetings, conferences, 75th birthdays, wedding showers, hall-walkers, square dancing and similar functions may be vulnerable to lawsuits for injuries that arise out of their activities. User groups and their organizers are not covered under **DIVISION’S** liability insurance, and should therefore obtain liability insurance for their activities, or confirm with their insurance broker that they are covered under their homeowner’s insurance policy.

Individuals or groups running organized or higher risk activities such as using the gym for sports, using the shops for projects, using athletic field(s) for sports or sponsoring an event/function where tickets are sold, or where attendance exceeds 150 persons, face greater risk and should therefore ensure they have liability insurance coverage to protect themselves from lawsuits for injuries (a minimum of \$2,000,000 coverage is recommended).

Various outside groups may have access to liability insurance from their parent organizations such as Sport Manitoba, Boy Scouts, Girl Guides etc. and should confirm for themselves whether such insurance exists for them. Local Recreation Commissions may have insurance that would cover the proposed activity.

APPLICANTS will not be permitted use of facilities unless they accept the **Conditions** printed herein. **APPLICANT**/permit holder hereby agrees to indemnify and save **DIVISION** harmless from all claims arising from the event/function.

Conditions:

1. The building/facility will be available for use only upon presentation of this permit to the **DIVISION** employee in charge.
2. The building/facility is to be used only on the date or dates, and hours, and for the purpose specified.
3. The members of any group or organization or spectators while in a school building must be under the immediate supervision and control of a competent and trustworthy adult. The name(s) of the supervising adults(s) must be entered on the application for permit.
