From: Brad Curtis, Superintendent & CEO  
Re: COVID-19 UPDATE #11

---

All resources and further updates for the RRVSD Community will be posted on our website: [www.rrvsd.ca](http://www.rrvsd.ca)

Manitoba introduced steps yesterday to continue to safely restore services by announcing their Phase 2 draft plan. This Phase 2 plan includes some significant steps for education.

Red River Valley School Division will be providing further information next week regarding what this looks like and what this means for our school community. Please be assured that our plans will continue to prioritize the safety and well-being of our students and staff. It is our understanding that limited access to our schools will be in support of such things as one-on-one learning, assessment and transition planning for the 2020-2021 school year. These interactions will be on an appointment basis only, and participation from families is optional.

Student academic programming and delivery will continue to be done remotely using digital media and print materials. The final date for new learning material has been set as June 12, 2020.

**Grad Update:** With the changes to public gathering limitations made yesterday, RRVSD is moving to allow convocation ceremonies of some kind to be completed in June 2020. Please note that these ceremonies must adhere to the guidelines in place on the date of the convocation. Your school administration will be in touch with further information.

Additional information will be provided next week to all schools as we receive clarifications and details from yesterday's provincial announcements. Thanks for your understanding and support in these ever changing times.
