Re: COVID-19 UPDATE #4

All resources and further updates for the RRVSD Community will be posted on our website: www.rrvsd.ca

We offer each of you our appreciation for your efforts this past week as the Covid-19 virus began to unfold in Manitoba. This week has been challenging in navigating increased anxiety of students and their families, as well as your own questions and fears of uncharted territory.

It is important to consider the well-being of students, staff and community. To our best capabilities, we want to ensure the continuation of students learning. Teachers please maintain regular contact with students and parents through telephone, email and websites.

Staff are expected to be “on the job” during their regular scheduled hours of work. The province has recommended working at home, and we encourage you to work and plan from home, if possible. If you choose to work at the school on any particular day, please contact your direct supervisor. At this time, the plan is that school buildings will not be accessible during Spring Break.

Please be aware that there may be times when your attendance will be required at school, as determined by your direct supervisor.

We recognize that we are in exceptional times, with some degree of uncertainty. With this in mind, we will continue to work together and share information as it becomes available. Thank you, in advance, for all of your efforts.

If you have any questions or require support, please contact me at bcurtis@rrvsd.ca
