Re: COVID-19 UPDATE #5

All resources and further updates for the RRVSD Community will be posted on our website: www.rrvsd.ca

As Spring Break approaches, we wanted to send an update to all of our stakeholders. As of this afternoon, we do not have any updates on the suspension of classes after April 10, 2020. During Spring Break, we will continue to receive daily updates from the Province of Manitoba. If, and when there is updated information on the suspension of classes, we will communicate this to all stakeholders.

We encourage all students, parents and staff to take a much deserved break from all school activities during Spring Break. Here is a link to a list of recommended activities for the break that is posted on our website:

School access will be limited to administrators, custodial staff and contractors during Spring Break.

Please follow the protective measures as outlined by Manitoba Health. Please continue to check our website for updated information. Let's all do our part to work together through this health crisis. Stay at home and stay healthy!
