Re: COVID-19 UPDATE #6

All resources and further updates for the RRVSD Community will be posted on our website: www.rrvsd.ca

Earlier today, the Premier and Minister of Education announced the indefinite suspension of classes for students.

Senior Administration are currently working on putting plans in place as a result of the information that was shared. I have attached a letter that was received from the Minister's office late this morning outlining plans for the indefinite suspension.

[Minister of Education - March 31, 2020](#)

We will continue to pay all staff for the week of April 6-10, 2020, as was previously communicated. The week of April 6-10, 2020 will be used to assign meaningful work to our support staff.

School buildings will close, while maintaining minimum staffing for teacher access and to operate child care centers where applicable. Schools must ensure social distancing and increased cleaning for infection prevention.

More information and clarification regarding student learning and assessment will be shared in the coming days.

We will provide further details to school administration on Monday, April 6, 2020.
